### Club launches Annual Awards

The Club is giving ranking points to the top 10 net scores in each of our Monthly Tournaments from **January to October**. They shall be accumulated and the top golfer will be named **Caliraya Springs Player of the Year**.

Friendly bets or "pustahans" shall be monitored during these tournaments as well. The top golfer shall be hailed our Order of Merit Winner.

All the more reason to join our Monthly Tournaments. Then of course we still have our Club Championships before the year ends.

## Golf Tips & Tricks

### Tips to Improve your Swing

Golf is a sport that needs accuracy, perseverance, and ability. With practice and the proper tactics, you may enhance your performance and begin to appreciate the sport even more. In this post, we will discuss golf swing techniques, putting strategies, and course management

### Swing Techniques

The golf swing is the game's basis. It is essential to have a firm swing in order to achieve accuracy and distance. Here are a few techniques to improve your swing:

- 1 Keep your head still.** This is one of the most essential components of a proper golf swing. Keep your head still and your gaze on the ball during the swing.
- 2 Utilize your body.** Your swing should involve the entire body. Utilize your shoulders, hips, and knees to create power and accuracy.
- 3 Practice your pace.** Your tempo determines the swing rhythm. A constant tempo will help you build a smooth, fluid swing.
- 4 Concentrate on a controlled swing.** Many golfers make the mistake of trying to swing too forcefully. This can lead to a lack of precision and, in extreme circumstances, harm.

## Testimonial

My impression about Caliraya Springs is that the Golf Course is well maintained. I like the challenge of hole 7 and it has a great view. Also, the driving range and putting green are in a nice location, caddies are well trained. Staff are good. This is definitely one of the best venue for local professionals tour.

A hidden gem in the mountains."

This is how I feel about Caliraya Springs Golf Club. Everything there is precious. From its breath-taking view of the lake to the amazing fairways and greens of this 36-hole championship course. Golfing is truly at its best.

I keep coming back to play there, not only to take unlimited pictures of my favorite Hole 7 of the Palmers, but also to experience the warm accommodation of their friendly staff and caddies. Also, I can't get enough of the sumptuous dishes offered in La Cucina in the clubhouse after my game, not to mention the superb amenities they have there. I am planning to bring the kids soon!

Indeed, Caliraya is my new home away from home.

## Food & Beverage

La Cucina de Caliraya Springs is a delightful restaurant located at the Caliraya Springs Golf Club Inc., a premier golf club in Laguna, Philippines.

The restaurant offers an excellent selection of food and beverages that will surely satisfy your cravings.

One of the best things about La Cucina de Caliraya Springs is their breakfast menu, which features a range of delicious and satisfying dishes to start your day right. For those who love Filipino breakfast, you can try their Lucban longganisa, a type of sausage that originated from the town of Lucban in Quezon province. It's a sweet and garlicky sausage that is perfect when paired with garlic rice, fried egg, and a cup of brewed coffee.

Overall, La Cucina de Caliraya Springs is a fantastic restaurant that offers delicious food and excellent service. Whether you're a golfer or just looking for a great place to eat, this restaurant is definitely worth a visit.
